| A High View of God | Our individual and corporate life is guided by reverence and submission to a holy, sovereign God who desires for us to have a personal relationship with Him. |
| Character | We believe Christians are to possess biblical integrity and character. We believe that our actions reveal our true character. |
| Spirit-led Worship | True worship springs from a heart that is enjoying personal fellowship with God through the Holy Spirit. Our worship is characterized by the free and spontaneous exercise of the spiritual gifts under the leadership and anointing of the Holy Spirit. Worship extends beyond the church boundaries and includes all we do. |
| Evangelism | We understand it is duty and priority of each believer to present the Gospel to unbelievers. As a church we participate in local and global evangelism efforts. |
| Equipping and Educating | Every believer shall be educated and equipped to: <ul style="list-style-type: none">• know, apply, and defend our faith• present Jesus Christ to unbelievers• lead exemplary lives in the marketplace• build strong interpersonal relationships within the church, their families and their community• be a good steward of all resources• develop a personal ministry |

Relationally Centered	Our congregation is structured to have Christ-centered relationships characterized by authenticity, accountability, and affirmation. Relationships are a primary way of evangelizing.
Biblically Faithful and Doctrinally Sound	We are committed to the Bible as God's revelation of Himself. We seek to know and apply the truth revealed in the Bible through spirit anointed preaching, teaching and personal study. The Bible is inspired by God and is profitable for teaching, reproof, correction, and training in righteousness. The Bible is our final authority for all we do.
Community Influencing	God has placed us in a community to display His character to influence its culture, society and lifestyle.
Servant Leadership	By following Jesus' model, we develop people to be biblical spiritual leaders in their homes, workplaces, communities and our church.
Ministry	Under the church leadership, every believer is called to minister. While we all minister in different ways, together we build up the church for God's glory. Our church is a fellowship that encourages people to hear God's calling for their lives. We help believers find their place of ministry.
Excellence	All that we do is done as our best, so to honor God.
